

CH-AIR

MANUAL

DELETING DULL

USER MANUAL

FATBOY® CH-AIR

Product information

Made of strong and durable PVC. Designed and engineered in The Netherlands, made in China.

WARNING!

READ WELL BEFORE USE!

- The inflatable CH-AIR is a furniture piece.
- This is not a toy or floatation device!
- Not suitable for use in water!
- After inflating, store the pump outside the reach of children.

INSTRUCTIONS FOR USE AND MAINTENANCE

Use

- To inflate, use a hand or electric pump. A suitable pump is available in the fatboy.com webshop.
- Maximum weight : 125 kgs
- CH-AIR is meant for sitting purposes only.
Do not jump on your CH-AIR as this may damage it.
- Place your CH-AIR on a flat/smooth surface.
- Do not place your CH-AIR near any heat source, such as central heating, floor heating, open fire or a glass window (as the sun may heat up the area).
- Sharp objects may damage the CH-AIR.
- You can use your CH-AIR outdoors. Do not use in water!
After use, store your CH-AIR indoors.

Maintenance

- After inflation, temperature fluctuations may cause a difference of air pressure in your CH-AIR. In this case, refill your CH-AIR.
- Clean your CH-AIR with a soft cloth and lukewarm water and if necessary a mild cleanser.
- A repair kit is included in the box in the event you have a tear or hole in your CH-AIR.
- Intensive outdoor use can shorten the lifespan of your CH-AIR.
- Retain these instructions for future reference.

QUESTIONS OR PROBLEMS?

Please contact your Fatboy® dealer or Fatboy in the event you have any questions or problems.
