### **Warning! Read carefully before use!**

- Do not place your beanbag against a window or glass door/wall. This can seriously damage the glass and your product.
- Do not place your beanbag next to a fireplace, central heating or floor heating.
- Beanbags are no toys. Only use them as furniture pieces.
- The plastic bag that came with your product can be dangerous, to avoid danger of suffocation, keep the bag away from babies and children.

### Instructions for use and maintenance:

- The Buggle-up and Original Outdoor are suitable for use outdoors. Store your beanbags inside after use and treat them as you would treat regular garden cushions.
- Excess exposure to sunlight, chlorine and seawater may damage the fabric and cause discolorations on your beanbags. If you want to use your beanbag outside intensively, select the Original Outdoor. This beanbag is made with special Sunbrella fabric, intended for outdoor use.
- Sharp objects can damage the fabric!
- Most stains are easy to clean with lukewarm water and a mild cleanser.
- The beanbag filling can shrink in the course of time. You can order refills at Fatboy to keep your beanbag properly filled.
- You can wash the loose covers of the Stonewashed and Special beanbags (Original, Point and Doggielounge) in your washing machine at maximal 30 degrees. None of the beanbag covers are suitable to put in your dryer.
- Prints on the fabric, like the bone on the Doggielounge, may fade in the course of time.
